ALL MEMBERS STAYING IN THE CAMP

All members staying in the camp are requested to bring a supply of black plastic refuse disposal bags with them in which they can place all refuse they create whilst in camp.

Everyone is further requested to place all full refuse bags in a trailer which will be parked in a central position in the camp. It will be greatly appreciated if everybody complies with this request when leaving the camp to go home as it will make the job of those who remain behind to clean up the camp site a lot easier.

A further request we have of members when leaving is that they return all items drawn from the store before leaving. Please do not leave beds, mattresses or any other items drawn from the store on your camp site but take them back to the store. Should the store be closed and the storeman not be available please leave the items outside the store where the storeman can deal with them when he arrives.

We thank you for your support and co-operation in respect of the above requests.
