

FREE STATE CHAMPIONSHIPS 2009
GEN DE WET RIFLE RANGE, BLOEMFONTEIN
24 MARCH TO 25 MARCH 2009

As a great deal of you already know that the these two days are the ideal way to settle into the run up to the SA Championships. The first day is to be used as basically a practice day but with a competitive nature and to get the butts staff settled. The markers will only arrive on the morning of the 24th hence the delayed start. The 24th and 25th are two separate events, and may be entered separately. To accommodate overseas and local teams we will for the pairs match have 3 pairs per target, therefore should your country, province or club wish to enter 3 pairs per target Please advise Kevin Seager as to the number of targets required and the names of the pairs and which target they are to be placed (1,2,3 etc) well in advance. Please come and enjoy yourselves, and meet old and new friends. Should there be any teething problems on the range please bear with us as once sorted it will only be to the benefit of all competitors for the competitions to follow.
